Minutes attached. I'll be on vacation next Thursday/Friday, so you may miss the first meeting, but I'm glad you are on board.

We will do our best to get labeling in CY 2015... will talk soon (I'll be in Hazelwood for part of each of the last 2 weeks in August).

Kevin

Subject: Presentation at MADS

Hello,

At the MADS meeting on 21 July, it would be great to have a presentation on our current understanding of the impact of AD technology & data & labeling claims on Market Access & ultimately commercial success. I'm open to topics such as impact with payers, prescribers, pricing considerations, forecasting considerations, feedback to date on Xartemis XR...

Please discuss and let me know how & who would like to present – an excerpt from the draft agenda is below.

Best Regards,
Kevin
