Dear Sirs,

Our Dutch Patent Application No. 71,02876
Tobacco Filler (British equiv. No. 16,214/70)

Thank you for your letter of the 20th October in which you informed us that an Official Report has been received upon the above application.

The inventor has studied the two citations and our comments are enclosed. We did not consider the data cited to be a serious threat to our Application and hope that a successful response can be formulated.

We return herewith your copies of the citations U.S. 3,477,865 and 3,410,276.

Yours faithfully,

U. Ende.
