Hi Theresa,

The attached tracker includes updates in XXR, MNK-155 and Ofirmev and are highlighted in yellow as requested.

Please let me know if you have any questions or need additional information.

Thanks,
Abby

Subject: Publications Tracker Update

Abby & Lauren,

Attached is last month's Publications Tracker. Please make updates to your appropriate section, highlighting any changes in yellow. We request the tracker is returned to us by EOB tomorrow.

For your awareness, we have standardized our Publications Reporting Process for the monthly S&T Executive Report. Going forward, you can expect to hear from us on the 2nd Monday of every month for an update.

Thanks!
