Environmental Action

WHERE THERE'S SMOKE THERE'S FIRE.

Environmental Action, 1978, p. 12-14, (Sept. 18, 1978)* (in English)

THE PUBLICATION ENVIRONMENTAL ACTION printed a lengthy
anti-tobacco article. It did have one surprise: "The
National Cancer Institute says it believes that many kids
smoke because they are 'turned on' by the scare tactics used
to warn them not to smoke."
