Subject: Abdishi: Plaintiff's Deposition and Expert Issues/Follow Up 

Jim M.,

Would you coordinate with John on the follow up items at the end of this memo. I suggest that you coordinate with Jack Holleran on the trying to locate the recalled product and with Jacquie Gilbert on identifying the sales rep. I believe that you have already begun to identify a scientist to review the non-selected documents.

John, good report. I don't need the transcript at this stage.

Thanks. John
