Writing for Product Safety and Liability Report about the lifting of the stay in the FI State suit. What is PM's response to the following:

1. Lifting of the stay in the circuit court.
  2. The lifting of the stay takes place after the oral arguments but before the Supreme Court has ruled on the constitutionality of the suit.
  3. Legislature has reconvened to work on an override of the Governor's veto.
- I just spoke to Mike and relayed this message to him. He will call Drew back.
