Extra-mural Research Advisory Sub-Committee (ERAS No. 165)

Dear Member,

DNA Adducts

I enclose an editorial by I. Bernard Weinstein entitled  
"Cigarette Smoking and Its Fingerprint on DNA", from the Journal  
of the National Cancer Institute 1988, 80 (8), 548-549 (TK1492).

Papers that were on this topic were TH195 and TJ1628.

Yours sincerely,

*J.D. Backhurst*
