Dear John:

Thank you so much for your good letter of August 10th. I look forward indeed to participation in the re-establishment of the Advisory Committee and to our deliberations and decision concerning the research awards. I am pleased that you share my views concerning the latter.

As I indicated earlier, I would be glad to meet with you prior to the meeting of the Advisory Board, in order to consider these and other matters and to plan an agenda for the Board.

With my warm best regards,

Sincerely,

William J. Darby, M.D., Ph.D.
