Miss J.A. Bower,  
MILLBANK.

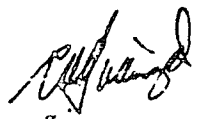

Dear Miss Bower,

I am returning herewith your copy of the I.T.Co.,  
Bristol, Provisional Patent Specification No. 29,982/60,  
which you kindly sent me with your letter of 13th June.

I have this morning received from Mr. Hurst, I.T.Co.  
patent section, a draft of the relevant Complete Specification  
and this is now being perused by one or two people here who  
have an interest in the matter of the vacuum drying of  
cigarettes. Towards the end of next week I expect to write  
to Mr. Anderson about the matter.

With kind regards,

Yours sincerely,
