Dear Peggy,

It was good to speak to you on the telephone earlier today about Dr Robinson's speech. I really appreciate all the effort you are putting into making a copy available to me.

As promised, I am sending with this fax a copy of my CORESTA report, which contains references to the speech. Perhaps you could ask Dr Robinson to look through it and to let me know whether or not it contains any errors.

Time is rather short in respect of my CORESTA report and I would be most grateful if you could let me know of any changes necessary by November 10.

There is no such time limit for the full text, which I want to run in a later issue.

With kind regards

Yours sincerely

George Gay
