

EVIDENCE OF COMPLIANCE

State law forbids the Commissioner of Health from entering into any grant contract until the Commissioner receives acceptable evidence of compliance with workers' compensation insurance coverage requirements from the grantee. The exception to this requirement is a self-employed grantee who has no employees. An employee, as defined by M.S. 176.011, subd. 9, is any person who performs services for another for hire, including minors and family members.

If you do not fall within the exception and you wish to enter into a grant contract with the Commissioner of Health, you can furnish acceptable evidence of compliance with workers' compensation coverage in any one of the following four ways:

1. Attach a certificate of insurance (supplied by your workers' compensation carrier) to this Exhibit; or
2. If you are self-insured, attached a written order from the Minnesota Commissioner of Commerce allowing you to self-insure to this Exhibit; or
3. If you are self-insured and you are a state agency or a municipal subdivision of the state, pursuant to M.S. 176.181, subd. 2, and are not required to obtain a written order from the Commissioner of Commerce, circle this entire item and sign and date the form below in the space provided; or
