Re: Application No. 4220

Dear Dr. Lazar:

After careful review of your application entitled "Control of Cell Growth by Lipid-Activated Nuclear Receptors," we regret to advise you that we cannot fund your proposed study.

We hope that you will be successful in finding support elsewhere for your investigation.

Sincerely,

A handwritten signature in black ink, appearing to read "James F. Glenn". The signature is fluid and cursive, with the first name "James" and last name "Glenn" clearly distinguishable.
