Dear John,

This is to acknowledge the generous contribution we recently received for my campaign for re-election to the U. S. Congress from the Tobacco People's Public Affairs Committee.

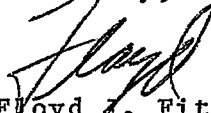

I would like to thank you personally for your assistance in making this contribution possible. Please also convey my gratitude to your members.

As we reach the final weeks of the campaign, your contribution will assist greatly in carrying out a campaign that we have been implementing for many months. We have placed heavy emphasis on a grass roots organizational campaign, and I am confident we will be successful if the effort is funded properly.

I have enjoyed working with you during the past two years, and look forward to a continued strong working relationship during the 95th Congress.

Again, John, my sincere thanks to you and the membership for your assistance.

Sincerely,

Floyd J. Fithian, M.C.
