Dear Connie,

RE: Package Contents

Enclosed in this package are several items we have discussed recently.

- 0 Draft protocols for acute and subchronic toxicity testing with price quotes.
- 0 Price quotes for inhalation studies for FY85.
- 0 Draft proposal for enzyme induction, gavage.
- 0 Outline of proposal for enzyme induction, inhalation.
- 0 Revised EPA protocols for acute toxicity testing.

If you have any questions, please do not hesitate to call.

Sincerely,

Carol J. Henry, Ph.D.
Director
Inhalation Toxicology
