Marcus M. Mason, D.V.M.  
President  
Mason Research Institute  
Harvard Street  
Worcester, Massachusetts 01608

Dear Doctor Mason:

This letter will authorize you to crate and send to Microbiological Associates, Inc., attention of Carrie E. Whitmire, Ph.D. (4733 Bethesda Avenue, Bethesda, Md. 20014) one original-design Walton smoking machine with a brass needle base smoking chamber and one brass cone animal holder insert. Also, please send two dozen (24) conical plastic tube animal holders for the brass cone base.

In the event that you do not have all the holders as yet, please send those you have on hand and the balance when they are received.

We will reimburse all costs for shipment and up to \$12.50 per holder, or \$300.00 for the 24 holders.

Sincerely,

W. T. Hoyt  
Executive Director
