Coal Mine Temporarily Shut; High Coal Inventories Cited

Duquesne Light Co., Pittsburgh, said it
temporarily closed its Warwick, Pa., coal
mine, idling 225 miners, because the utility
has excess coal inventories.

Duquesne said it attempts to maintain
an approximate 60-day coal supply, and it
currently has an 88-day supply on hand.
Electric power demand has been light for
the last two months, the company said.

The company said it can't predict when
the mine will resume production. The mine
is located 83 miles up the Monongahela
River from Pittsburgh.

Northwest Air Traffic Declines

ST. PAUL, Minn. — Northwest Airlines
said its May traffic fell 7.1% to 3.2 billion
revenue passenger miles from 3.44 billion
miles in May 1987.

A revenue passenger mile is one paying
passenger flown one mile.

In May, the load factor, or percentage
of available seats filled, fell to 66.3% from
68.3%.

For the first five months of the year,
the NWA Inc. unit flew 14.9 billion revenue
passenger miles, down 7.5% from 16.1 bil-
lion miles a year earlier.

The load factor for the five months in-
creased to 64% from 63% a year earlier.
