Hi Alex - I think either Donna or Susan probably already responded that we are not currently recruiting PAs and NPs (mid-level prescribers) as EXALGO speakers at least initially - we hope to be able to do so in the near future, though, so we will keep his information on file.

Thanks,

Jackie

Good morning Donna & Jackie,

I'm forwarding a request to nominate a potential speaker for Exalgo. This dynamic PA was involved in our pivotal 301 study along with the physician he practices with in the Fresno area. He has extensive knowledge and would be a great asset.

Thank you for your consideration.
